

Dear Member

On behalf of the Committee at the Australian Horse Archery Association we thank you for your interest in forming an AHAA Branch.

The Australian Horse Archery Association is a not for profit association that was founded by Katrina Kruse in 2013.

The AHAA promotes the sport of Horse Archery throughout Australia and is affiliated with the International Horse Archery Alliance and recognised worldwide as our National body for Australia.

AHAA currently has several Branches throughout Australia, all governed by the AHAA, its code of conduct, and its Management Committee.

A Branch affiliated with AHAA is made up of persons who are already individual financial members of AHAA. Affiliation with AHAA allows the use of the name AHAA in all media and advertising. You would adopt a geographical branch name for example Australian Horse Archery Association - Southern WA Branch. This would immediately show your affiliation with a governing Australian body.

An annual fee of \$50 will be paid by each Branch.

Each Branch will have access to all associated paperwork already prepared to help you set up your Branch successfully, for example, score sheets, check lists, guidelines on running Rally Days, Ribbon Days, Grading and Postal Competitions, along with State Championships in the event your group is given permission from AHAA to run the annual championship.

As a Branch Manager your State representative will represent you on the AHAA Committee. In order to comply with AHAA requirements and AHAA insurance all participants and helpers at rallies, displays and competitions **MUST** be current AHAA members. Riding or Associate.

All AHAA rallies, displays, and competitions must follow the **AHAA Competition and Event Rules and Procedures**, and comply with the **Risk Management Framework**, both items can be found in the "Info for Branch Managers" folder. The email address you provide will be used to share this folder from Drop Box.

It is very important that Branch Managers are aware of and follow these AHAA requirements and procedures.

If there is any question of these requirements not being carried out within a Branch, the matter will be taken up by the Committee before further renewal of the Branch is granted.

We look forward to welcoming new branches and furthering this sport of horse archery in Australia.

Please do not hesitate to contact me if you need any information or assistance.

Yours sincerely

Naomi Crotty

AHAA Branch Coordinator

NEW AHAA BRANCH AFFILIATION APPLICATION

Date: _____

State: _____

Area/Town: _____
(This will establish the title of your Branch. eg. Brisbane South)

Branch Manager: _____
