

**AHAA Policy on distribution of funds raised in
Memberships,
Competition entries, Rallies,
Fund-raising and Sponsorship**

1. AHAA Membership fees

AHAA membership fees to be paid to and retained by AHAA .

2 Competition entry fees and Rally fees

Competition and Rally fees to be paid to and retained by AHAA to cover all costs related to holding those events, for example, ground fees and prizes.

If the entry fees exceed the costs of the event, these fees will be retained by AHAA for nationwide use.

3. Funds raised by AHAA Branches at Competitions and Rallies

Only when ALL costs are covered in running competition and rally days; funds raised by individual branches through local sponsorship, and fund-raising such as canteens, sausage sizzles, raffles, will be paid to AHAA to be retained for the use solely by that branch to purchase equipment for their use. This equipment remains the property and asset of AHAA.

NB: If there is a shortfall in the costs incurred in running an event, that shortfall will be made up by funds and sponsorship raised at that event.
