

Simple information about grading for branch managers

AHAA uses the IHAA grading system so our members grades are internationally recognised, and AHAA is the National body that oversees IHAA grading in Australia, both for AHAA members and non-members.

All the rules, scoresheets, instructions, and tables needed for grading are hosted on the IHAA website

<https://www.horsebackarchery.info/grading>

Read the rules and instructions for grading there carefully before running a grading day or competition.

Once the score sheets are completed, signed, and witnessed, they should be forwarded to

australianhorsearchery@gmail.com

Grades cost \$20 each for AHAA members, and \$40 each for non-members.

Payment for the grading should be paid to the AHAA account
